

ProSecure®

FOR PHYSICIAN PRACTICES, HOSPITALS & HEALTHCARE FACILITIES

ProSecure is an extension of CyberAssurance® Plus, providing enhanced cyber liability limits along with additional coverage for regulatory risk protection, depending on the coverage options you choose.

ProSecure coverage is designed for physician practices, hospitals, and healthcare facilities insured with ProAssurance. You can select one or more options, all at competitive rates.

*ProAssurance has collaborated with Tokio Marine HCC – Cyber & Professional Lines Group to offer ProSecure coverages.**

**Policies are underwritten by Tokio Marine HCC – Cyber & Professional Lines Group.*

Cyber Liability Coverage & Regulatory Risk Protection

ProAssurance
PART OF The Doctors Company

ProSecure®

FOR PHYSICIAN PRACTICES, HOSPITALS & HEALTHCARE FACILITIES

Flexible cyber coverage extensions that help you adapt to ever-changing healthcare risks

Cyber Liability Coverage

With this enhanced cyber liability protection, you receive higher limits for the following coverages in addition to those provided in your CyberAssurance Plus coverage (which is provided at no additional charge with your ProAssurance policy):

- **Cyber Crime Coverage**
- **Dependent System Failure Coverage**
- **Bricking Loss Coverage**
- **Property Damage Loss Coverage**
- **Reward Expenses Coverage**
- **Court Attendance Costs Coverage**
- **Bodily Injury Liability Coverage**
- **Property Damage Liability Coverage**
- **Telephone Consumer Protection Act (TCPA) Defense Coverage**

FIRST-PARTY INSURING AGREEMENTS

Coverage agreements included in the ProSecure form:

- Breach Event Costs Coverage
- Post-Breach Remediation Costs Coverage*
- BrandGuard® Coverage
- System Failure Coverage
- Dependent System Failure Coverage*
- Cyber Extortion Coverage
- Cyber Crime Coverage*
- Bricking Loss Coverage*
- Property Damage Loss Coverage*
- Reward Expenses Coverage*
- Court Attendance Costs Coverage*

THIRD-PARTY INSURING AGREEMENTS

Coverage agreements included in the ProSecure form:

- Multimedia Liability Coverage
- Security and Privacy Liability Coverage
- Privacy Regulatory Defense and Penalties Coverage
- PCI DSS Liability Coverage
- Bodily Injury Liability Coverage*
- Property Damage Liability Coverage*
- Telephone Consumer Protection Act (TCPA) Defense Coverage*

In addition, optional features include:

- Breach Event Costs Outside the Limit Enhancement (Breach Event Costs Limit will not erode the Policy Limit)
- Additional Defense Costs Limit

Regulatory Risk Protection Coverage

This coverage provides you with extra protection that works seamlessly with baseline coverage already included in your ProAssurance professional liability policy. You and your medical practice have coverage for regulatory fines and penalties, as well as defense costs related to:

- **Actual or Alleged Billing Errors**
- **Medical regulatory violations (HIPAA, EMTALA, and Stark proceedings)**

A damages sublimit is also offered as an optional extension to Regulatory Risk Protection Coverage.

This communication provides a general product summary and should not be construed as a guarantee of coverage. Please refer to the policy for coverage details.

See the ProSecure policy for full coverage details. Find out how ProSecure coverages can help you reduce uncertainty and increase the control you experience.

**Indicates added coverages available with the ProSecure form that are not available in the CyberAssurance Plus product.*

Contact your ProAssurance agency partner for more information or visit ProAssurance.com.

PROASSURANCE
PART OF The Doctors Company

ProAssurance is the marketing name for subsidiaries of ProAssurance Corporation that write medical professional liability insurance.
